- **Soft Skills**: Creativity, Problem Solving, Project Management, Adaptability

PROJECTS

Short-Instant-Service-Aggregator | Link   **January 24 – June 24**

Role: Developer, Team Leader.

Technologies Used: HTML, CSS, PHP, MySQL

Description: Developed an online platform to empower small businesses by providing them with a digital marketplace. The platform allows shopkeepers to manage inventory, sell products, and expand their customer base online. It offers users the convenience of shopping from home while accessing a variety of local products. Key features include secure user data protection and enhanced customer-shopkeeper communication.

TRAININGS AND SEMINARS ATTENDED
